WELCOME TO BORDEAUX

Discover Bordeaux, its beauty, its rich cultural heritage, as well as the Atlantic coast!

Welcome to the sixth largest city in France, with nearly 800,000 inhabitants. Its renowned universities welcome nearly 70,000 local students and around 7,500 international students, making it a very dynamic city, full of life and energy. Bordeaux is just 2 hours from Paris by train, less than a 1 hour drive from the beaches and around a 2 hours drive from Spain.

History, gastronomy, beauty and tradition; the perfect mix for a successful stay. With its 6 million tourists in 2019, Bordeaux ranks among the top 10 cities not to be missed in France. Its rich history of more than 20 centuries will take you from antiquity to modern times through its nearly 300 historical monuments, all embellished with a touch of south-western warmth and a wine-growing tradition dating back more than 2000 years.

Culture without forgetting the fun! If Saint Emilion, Pauillac, Médoc or Mouton Rothschild ring a bell, it is no coincidence. Coming to Bordeaux also means coming to discover its wine culture why not indulge yourself at one of the many good restaurants such as Gordon Ramsay's brasserie "Le Bordeaux". The city's beautiful parks, sports facilities, museums, cinemas, theatres and clubs offer countless opportunities to enjoy your free time in Bordeaux and experience French living.

Newdeal Institut, located a stone's throw from the historic center of Bordeaux, helps you to combine pleasure and education to perfection. Come and take advantage of our French lessons in the morning and enjoy your afternoons of discovery alone or with us!
